

CORPORATE CONSULTANTS
...thinking beyond inventions

w w w . c i p c . i n

ABOUT US WHO WE ARE

Corporate Consultants was founded in 2006 by the late Mr. Hans Raj Bansal, Advocate, Punjab and Haryana High Court, Chandigarh. A graduate of the Bombay University, Mr. Bansal started his practice at Bombay High Court before moving to Chandigarh in early seventies. Currently the team at Corporate Consultants is headed by Mrs. Kompal Bansal, an Electronic Engineer and a Patent & Trade Mark Agent with the Indian Patent Office.

For over a decade, Corporate Consultants has been actively engaged in providing intellectual property services to clients from academia, industry and also individual innovators.

With more than 600 national and international filings of patents, copyright, trademarks and designs and several successful grants, Corporate Consultants is a trusted service provider to clients not only from within India but also abroad. Corporate Consultants has associates in almost all countries including USA, Europe, China, Japan, North and South Korea, Africa and Middle East.

Some of the areas in which we have filed patents, include but are not limited to:

- ◆ Mechanical
- ◆ Electrical and Mechatronics
- ◆ Electronics and Communication
- ◆ Manufacturing Processes
- ◆ Food/Dietary Supplements Related
- ◆ Pharmaceutical Compositions/Processes
- ◆ Medical/Biomedical
- ◆ Biotechnology
- ◆ Surgical items/Orthopedic Implants

Our Infrastructure

Spread over more than **3000 sq Feet Area** in Industrial Area Mohali, the office of Corporate Consultants is well-equipped with resources to provide **end-to-end IP Services** e.g. **filings, licensing, product development and new venture establishment**. In-house resources include **highly experienced full-time staff** in the verticals of engineering, life sciences, law, translational research and business development.

- ◆ Development Labs provide product development/prototyping services to inventors.
- ◆ Experienced and Senior Level Associates help in IP enforcement and litigation.
- ◆ A rugged Information Management System (IMS) enables 'error free' working and timely delivery of services.

OUR CORE VALUES

- ◆ Service to society by promoting breakthrough innovations
- ◆ Customer delight
- ◆ Affordability
- ◆ Trustworthiness

Achievements

- ◆ Ranked as one of the top filers of patents for academia/research organizations in India - patents filed by us for Chitkara University have enabled it to achieve 4th Rank at National Level (Indian Patent Office Annual Report 2015-2016).
- ◆ More than 600 National and International filings patents, copyrights, trademarks. Successful grants in India and abroad.
- ◆ IPR cells successfully set up in leading Universities and Organizations e.g. Shoolini University and Chitkara University (Himachal Pradesh), Chitkara University (Punjab), Chandigarh University (Punjab) in addition to guiding several organizations including NITs etc. for IPR policy and operational aspects.
- ◆ More than a decade of successful operations.
- ◆ Associates in all major countries worldwide- USA, Europe, China, Japan, Korea, Africa etc.

MEET OUR TEAM

MS. KOMPAL BANSAL

*B. Tech (Electronics and Communication), PGDCA (Gold-Medalist),
Director, CORPORATE CONSULTANTS (CIPC), Practicing Patent and Trademark Agent*

Kompal is an Electronics Engineer and a practicing
Patent and Trademark Agent for last ten years.

She is actively involved in filing patents and trademarks globally. She has handled national
and international prosecutions resulting in successful grants.

As Director of CIPC, she has partnered with several Universities and Educational
Institutes to impart IP Awareness and provide 'in-house services' for capturing ideas and
filing patents. CIPC is currently on the panel of several Universities and Educational
Institutes e.g. Chitkara University, Shoolini University, Chandigarh University, Thapar
University etc. Under her leadership, CIPC is actively involved in setting up 'Innovation
Management Eco-Systems' in Educational Institutes and Universities to nurture, support
and protect innovative ideas and file patents for the same.

Kompal is the Inventor of an improved emergency medical instrument viz. laryngo-
scope (Indian Patent No.211367). She has rich industry experience as an engineer with
Abhishek Group of Industries (Barnala, Punjab) and as founder of start-up
biotech venture-Tanya Biotech.

Author of Book on Intellectual Property for Engineers (BS Publications,
ISBN: 978-81- 7800-277- 4), entitled "FUNDAMENTALS OF INTELLECTUAL PROPERTY
FOR ENGINEERS "
